

Examiner Interview

Applicant thanks Examiner Stewart for the courtesies extended to the Geoffrey P. Shipsides, Reg. No. 55,617, on March 25, 2010. During the telephonic interview, Examiner Stewart stated that resubmitting an invocation of 103(c) to disqualify Radish as prior art against the instant application using a separate paper with headings would result in a notice of allowance. If there is any problem with this reply, or any reason why the application is not in condition for allowance, Applicant requests that the Examiner immediately contact Geoffrey P. Shipsides at 612-766-2064.

Conclusion

All of the pending claims were addressed in the reply filed February 22, 2010. This reply is supplemental and intended to comply with the Examiner's request for a separately headed invocation of 35 U.S.C. § 103(c). Nothing in this paper should be construed as an intent to concede any issue with regard to any claim.
